

Dear All,

I on behalf of Scientific Committee & Managing Committee am pleased to present before you the Scientific program for 76th AIOC 2018, to be held at Coimbatore (22-25 Feb. 2018)

Arranging a Scientific Program in 15-16 Halls, Trying to cover Maximum subjects & Common Topics itself is a mammoth task. Further trying to Adjust Max number of speakers (> 782 getting podium for 1st time at Coimbatore) on specific dates adds to the turmoil.

Apart from National Symposium, Current Concepts, Updates, Tips & Tricks, International Symposia, Quiz, Debates, VAST, Sponsored Symposia, Session by National Societies, ARC Programmes. We have added Magic of SICS, Clinical Rounds, Cases & Cases, Top Innovations, Breakfast Classes (Sub specialty Capsules and Diagnostics in Ophthalmology), Beyond Ophthalmology, Ophthalmology Thru Entertainment. We have tried our best.

There will be overlapping of sessions - specially for “ Celebrated Speakers “.

I beg for forgiveness & I am sure with their experience, they will do an excellent job.

Request you all – not to ask for change (s).

Let's us all Enjoy the Scientific Feast.

Mistakes are all Mine & I apologies for all the short comings. I shall continue to improve.

Positive feedback (Constructive & Unbiased) will help me.

Regards

Dr. Lalit Verma
