27	Dr. Savita	<p>Thank to both of you for a smooth and well organised SSTC session I see it improving and becoming popular year after year hearty congratulations to you dr Deepak And thank you for the wonderful opportunity It was a pleasure to be with such an excellent team Thank you once again</p>
28	Dr. Sunaina Malik	<p>Thanks, Dr. Satanshu & Dr. Deepak for including me in SICS SSTC. I hope to be included next year also.</p> <p>If I may say something without hurting anyone's feelings- I wish we could have more simulators or more artificial eyes. The goat's eyes we were teaching on were so hypotonic that the trainees could hardly do any steps properly. Since it's supposed to be a hands-on training, if this aspect can be improved upon next year, it'll be a fantastic experience</p>
29	Dr. Jignesh Taswala	<p>Thanx Dr Deepak & Dr Satanshu for giving me an opportunity 3rd Consecutive year.. Improving in leaps n bounds.. Great organizational skills.. Impeccable arrangement n smooth streamlining of d whole sstc program.. Kudos</p>
30	Dr. Raveendra Tammineni	<p>Congratulations Continuous improvement in the field and great experience...</p>
31	Dr. Ravi Ranjan	<p>Boss Good morning.. U organised this conference so wonderfully. U scored 10 out of 10.</p> <p>Mine rating in one WORD....EXCELLENT...</p> <p>BEST CONFERENCE I HAVE ATTENDED AS YET.</p>
32	Dr. Kamaljeet Singh	<p>It was A class AIOS meeting ... A great planning at micro level was the highlight. With such a nice convention centre we did not need to walk at all...kudos to the organisers..food was</p>
