| DATE: 16.02.2020 |
| TIME: 10:30–11:30 |
| HALL: YO Pavilion (Bridge) FF / UGF |

Long have we debated the various practice patterns such as the private practice, institution practice, freelancing.

However as the various opportunities grow, the ease of doing business increases, more and more youngsters are opting to go for the private practice early into their professional life.

However very few know the way around before they take a plunge. This session is intended to discuss the various aspects of the private practice which are important for newcomers and the various issues which they might face once they enter into the glamorous world of private practice. Youngsters who have recently entered into this trend shall discuss and elaborate on their initial experience which will in turn prove to be a guiding light for the next generation.

Panel : **Dr Ronak Solanki, Dr Biswajeet, Dr Kareesha Wadia, Dr Himika Gupta, Dr Swati Agarwal, Dr Rahil Chaudhary, Dr Anit Agarwal**

Moderator : **Dr Indeevar V Mishra**
